 SIOP Europe Psychosocial Working Group

The **SIOP Europe Psychosocial Working Group** cordially invites you to an **Open Network Meeting** of all collaborators in the field of psychosocial care in paediatric oncology in Europe. During this Network Meeting, we hope to exchange ideas on ongoing projects, to connect, to collaborate and to share visions on psychosocial care and research in childhood cancer with as many of you as possible.

The SIOP Europe Psychosocial Working Group was launched in March 2022. It aims to address policies and structural frameworks needed to implement evidence-based psychosocial standards of care across Europe, and to foster and build interdisciplinary collaboration and active networking with all stakeholders. Find out more about the group here: <https://siope.eu/SIOP-Europe-Psychosocial-Working-Group>

When: Monday 13 March 2023, from 13h00 – 15h00 (CET – local time in Brussels)

Where: Zoom. Register here: <https://us02web.zoom.us/meeting/register/tZMpd-ysrz8sG9F8bTKRKKSorthtZuh51kUS>

Who: Psychosocial professionals, covering both research and/or care of children with cancer and representatives of working groups within the psychosocial field or Health care Professionals interested in the psychosocial field.

Feel free to further disseminate this announcement to your contacts. We apologize if you receive this message repeatedly.
